Why you should wear your uniform correctly:

- You are part of the school community
- You represent the school
- Wearing it smartly represents your mind set you are here to work and ACHIEVE
- In the work place you are expected to dress appropriately- this is appropriate for school.

Shirts need be tucked in

✓ Shirts not tucked in will receive a tick on your B2B card

You receive ticks on your B2B card for **punctuality** on a morning (if you are late), **equipment** (not bringing the correct equipment) and **uniform** (not wearing this correctly).

3 ticks = lunch, 4 ticks= ASD, 5 ticks = isolation

✓ You are expected to wear your shirt tucked in **as soon** as you come on to the premises on a morning, form time, during lessons, during break/dinner- when you are on the premises.

✓ We will communicate this with parent this week (week commencing 13th)

✓ Expectations start from Monday 20th November

Issue: Shirts not tucked in

“Students don’t wear their uniform this way at Sherburn, give me your back to basics card to sign”

Teacher will sign card and hand back- an e-mail will go to the B2B distribution list if the tick is the 3rd 4th or 5th tick as there is a sanction attached to each.

If you refuse to hand over your planner /or if you do not have your planner- the sanction will still stand but you will be picked up by the Achievement Team

Detentions are carried out in the Lecture Theatre and the Achievement Team will check you have attended. If you fail to turn up for a lunchtime this escalates to an ASD, then isolation.
