Primary School/Previous School

During the time students are with us at Sherburn High we believe that it is very important that a spirit of trust and co-operation is built up between teachers, parents and young people. This agreement sets out some of the specific ways in which we can all play our part to achieve this positive atmosphere expressing the willingness of all concerned to work together for the benefit of all young people in the school.

The school will:

- provide a caring, safe, supportive environment in which each individual is valued;
- provide a full and balanced curriculum which, as far as is possible, educates each student to the best of his/her ability;
- provide records and information about each child's educational progress as well as the child's development in other areas of school life;
- arrange regular meetings with each child's teachers and be available at other times when concerns or questions arise; keep parents informed about problem areas.
