Dear parents and carers,

## Uniform Suppliers

Recently we were saddened to find out that APC Clothing, one of our school uniform suppliers, had ceased trading with immediate effect.

The APC website is displaying the message below:

### APC Clothing Limited

#### Statement

The directors of APC Clothing Limited, have regrettably taken the decision to cease trading, meaning that the store is closed with effect from 20 June 2025 and no further orders can be completed.

The Board of Directors commented:

All possible avenues have been explored to save the business and keep the store open, but due to significant increases in costs and declining sales it was decided that there was no option other than to close this store. The management of the business would like to thank all the staff for their hard work and to all our customers for their continued support over the years.

Arrangements are being made to place APC Clothing Limited into liquidation. Further information can be obtained by contacting Kingsbridge Corporate Solutions by email at [enquires@kingsbridgecs.com](mailto:enquires@kingsbridgecs.com).

Please reassured that our other suppliers of school uniform (for the full list see our Uniform Policy on the website) continue as normal. Should any parents or carers have any worries or concerns in relation to school uniform please contact your child's Head of Year or [admin@shs.starmat.uk](mailto:admin@shs.starmat.uk)

## Gas Safe Charity Funding

Please see the following message from North Yorkshire Council:

"Choices4Energy at the North Yorkshire Council has funding available until September to help homeowners with low income and/or disability to pay for measures that address potential gas safety, gas leaks or CO poisoning (<£36,000 household income, other criteria may apply). This includes measures such as repairs and servicing of gas boilers, fires and cookers. Badly fitted or poorly serviced gas appliances can put you and your family at risk. There is a maximum grant of £500 per household, and we are encouraging homeowners to check gas appliances now to ensure they are safe to use, ready for winter. Contact us now on 0300 131 2 131 and ask for Choices4Energy, or visit Choices4Energy | North Yorkshire Council for more information.

See attached copy of our [Gas Safety leaflet](#) which provides info about the funding available."

## Spotlight on Safeguarding

Please see attached July's copy of the STAR MAT Safeguarding Bulletin.

As always if you have any worries or concerns in relation to the safety and wellbeing of a student, please do not hesitate to contact us, either via the Tell Us function on our website, or by contacting your child's Head of Year or our Designated Safeguarding Lead, Mrs Marsh.

### **Spotlight on Literacy**

Please see attached our summer term Literacy Bulletin, which is full of the wonderful things our students have been doing in the world of all things reading!

### **Thank you to our Student Leaders!**

This week we welcomed over 190 Year 6 students into school to prepare them for joining Team Sherburn in September. I would like to publicly thank our student leaders for the kind and helpful manner in which they supported our new students – you absolutely embodied what it means to be a good team member!

### ***And finally...***

We have a lot of lost property in our student reception – please, please encourage your child to come and collect it. Any items not collected by the end of term will be donated to charity!

Thank you as always for your ongoing support,

Kind regards,

Miriam Oakley  
Headteacher
