Dear Parents and Carers,

As we reach the end of our first week back, I wanted to take a moment to thank you for your continued support and to share several important updates as we head into a very busy final term. It has been wonderful to welcome the students back this week.

We are now over half way through our public examinations. We are incredibly proud of how maturely our Year 11 and Year 13 students are handling this high-stakes period.

- **Pre-Exam Revision Sessions:** Please actively encourage all Year 11 students to attend the targeted revision sessions held just prior to their final exams (please see the attached timetable for full details [HERE](#)). There is still revision support happening in school every single day.
- **Compulsory Maths Session (Next Tuesday Afternoon):** Attendance at this specific session is **vital and compulsory** for all Year 11 students. Our Mathematics teachers will be walking through a predicted Paper 3, carefully tailored around the topics that appeared in Papers 1 and 2. This is a crucial opportunity to gain a competitive edge, and we expect 100% attendance. Those completing the History Paper on Tuesday afternoon will get additional Maths support during period 6 and 7.
- Our Year 9 students are currently preparing for their upcoming Mastery Exams, which are scheduled to begin on **Monday 15th June**. Please encourage and support your child with their revision at home over the next week to help build their confidence and ensure they can showcase their best work.

Careers Fair Appeal: We Need Your Help!

On the afternoon of **Tuesday 30th June**, we are hosting a Year 10 Careers Fair for those students not attending the Selby College open day. To make this event as impactful as possible for our students, we need support from our parent community. **Can you help?** If you work for, run, or have links with a local business or company and would be willing to come in and host a stand, we would love to hear from you. Please contact **Miss Sophie Miller** at **sophie.miller@shs.starmat.uk** to express your interest. A flyer with further details is included below.

To ensure the safety of all students during the busy drop-off and pick-up times, please adhere to the following parking rules:

- **New Lane Car Park:** Please use this area exclusively for dropping off and collecting your children.
- **Garden Lane Car Park:** This car park is strictly reserved for staff and school visitors only. Thank you for your cooperation in keeping our site safe and moving smoothly.

A quick reminder that the school will be **closed to all students on Wednesday 24th June** for a scheduled Staff Training Day.

Please see the letter attached from North Yorkshire regarding the expanded entitlement to free school meals. I would encourage all parents/carers to read this carefully and apply even if you are unsure if you would be eligible.

We have had so many celebrations throughout the school recently that there are simply too many to list here! I encourage you to follow our **social media pages** to see these success stories and daily updates.
