Dear parents, carers and students

Pick Ups and Drop Offs from School

Please can I remind parents/carers that pick-ups or drop-offs to school must take place at the front of the school, that is the New Lane entrance and not via the staff or visitors' car-park at the back of school. Can parents/carers also refrain from using the small car-park adjacent to the school; this car-park is private property and the staff and users of the site require constant access. This is to ensure student safety. Thank you for your co-operation in this matter.

Spotlight on Safeguarding:

Please see attached this month's Safeguarding Bulletin that is distributed to all parents/carers in YLT secondary schools.

Remember – if you have any concerns about the safety and wellbeing of your child or any other student at Sherburn High School you can contact our DSL, Ruth Marsh, your child's Head of Year or use the "Tell Us" link on our website.

Also attached to today's letter home is information about free online workshops for parents/carers and students delivered by the NHS Wellbeing in Mind Team.
