Supporting Wellbeing

Please see the attached bulletin from the NHS Wellbeing-in-Mind Team about how you can support your child if they are struggling with the return to school. The Team are also running a webinar on Monday to support parents and carers with practical strategies for those who are struggling with the return to school; details are also attached.

Please see the attached bulletin from North Yorkshire Council which detail a range of resources you can access for support from your local library.

Please also see attached the information about eye-tests for children and young people.

And finally...

We're looking forward to celebrating European Day of Languages on Thursday 26th September!

To celebrate students can enjoy a delicious lunch of chicken and chorizo paella with apple tarte tatin prepared by STAR Eats.

Year 7 students can get involved in the poster competition shared in the Google Classroom.

And we're encouraging every student to register in a different language on Thursday; bonjour, hola, ciao, guten tag, ni hao, marhaben

From all of us at Team Sherburn, "Merci beaucoup et muchos gracias"

Kind regards,

Miriam Oakley
