The STAR
MULTI ACADEMY TRUST

Dear parents, carers and students,

RE: Student Voice Survey

Next week sees the rollout of our Student Survey 2023.

We care a lot about what the students of Sherburn High School have to say and want to learn more about your thoughts about teaching, learning and school life. We also want to know about your wellbeing and how we can help support you. Our goal is to make sure your voice is heard. and we'll use the results to improve your experience in your school.

To help us with this, we're working together with the Edurio survey platform who have created a Student Survey which will be completed by all students in STAR MAT schools. Our plan is that student leaders across STAR MAT will then work together to help drive improvement in all our schools.

On Wednesday 15th March students will receive an email from Edurio with a personalised link to a short survey. Surveys are completely anonymous and confidential, though the responses will be grouped on a school level. Your opinion and honesty are much appreciated.

The rollout for completing the survey at Sherburn High School will be like this:

Monday 13th March and Tuesday 14th March	Students will learn more about the Student Survey during period one
Wednesday 15th March	Survey emailed to all students. Students in Years 11 and 9 will complete the survey in school Students in Year 7 to complete the survey at home as part of their remote learning
Thursday 16th March	Students in Year 8 to complete the survey in school
Friday 17th March	Students in Year 10 to complete the survey in school
*Arrangements for Post 16 students	Post 16 students are able to complete the survey at a time that is convenient to them

If you have any questions or concerns please be in touch. We look forward to your feedback!

Kind regards,

Miriam Oakley
