Dear parents, carers and students,

Being part of Team Sherburn High School means getting involved in our community, whether that's as parents and carers or students.

## Supporting Success:

A huge thank you to all the parents, carers and students in Year 11 who got involved in our community by attending the Year 11 Supporting Success Evening on Tuesday. The slides from the event are now on our [website](#), and please look out for a letter next week which gives a summary of the key information shared.

Parents, carers and Post 16 students, please get involved by joining us at the Post 16 Supporting Success Evening on Tuesday 26<sup>th</sup> September, in the main hall at 6 pm.

## Open Evening 2023

Thank you in advance to all students who have volunteered to get involved in our annual Open Evening which takes place on Tuesday 3<sup>rd</sup> October.

To support the preparation for the event school will close to students at 1:55 p.m.

All school buses, apart from the 97s have confirmed that they will be able to make the earlier pick-up time. Any student who needs to remain on site for the 97s should make their way to the sixth form common room where they will be supervised until the end of the normal school day.

### ***And finally...***

A plea – every single year I find myself writing to ask parents and carers to observe our disabled parking bays and to use our carpark safely.

Please, can I remind you that we have these bays so that our disabled students, parents and carers can safely access our school site. Thank you for your support and for keeping members of our Team safe.

Thank you as always for your on-going support,

Kind regards,

Miriam Oakley
