Dear parents, carers and students,

We hope that you are all well and have managed to survive the recent heatwave. We also hope that you are enjoying the final week of Year 6 and that your time has been spent making many valuable memories.

As promised at our New Intake Evening here is some useful information and handy reminders about September!

Each tutor group has been created to try to have a true mix of students in it. We have also spent time reading the information from your primary schools and speaking to class teachers before creating these tutor groups. Parents, carers and students should also remember that not all lessons are taught as tutor groups and as students move up through the school more and more time is spent in a variety of teaching groups.

September 2022

The first day for Year 7 students is Tuesday 6th September. To help students settle in, the only other year group in school will be Year 11. Students need to be in the main hall for 8:30 a.m. and the bell for period one will sound at 8:35 a.m.

Students will need to be in their full uniform and have their bags and pencil cases with them.

Students will not need their PE kits on day one.

On day one students will have an assembly, spend some time with their tutor group getting their planners and timetables before starting lessons after break.
