"Achievement for All"

Carnegie Shortlisted and Medal Winning Titles

The CILIP Carnegie Medal is the UK's oldest and best-loved children's book award, recognising outstanding reading experiences created through writing and illustration in books for children and young people. The CILIP Carnegie Medal is awarded by children's librarians for an outstanding book written in English for children and young people. (www.cilip.ork.uk)

Our school library stocks all Carnegie titles; they offer diversity and challenge. Please be aware that some of the books are written for young adult readers therefore there may be occasional 'challenging and gritty' content. Generally, Key Stage 3 young people are ready for this, however, parents know their children best; if you have any queries about suitability, check online reviews or contact myself ann.hannam@shs.starmat.uk or your child's teacher.
