If you have not received an activation letter to log onto Parentpay, please contact the school as soon as possible and we can arrange to send one out to you. Your child will not be allowed on the trip until payment is received together with the requested contact and medical information.

Finance

As a school we are very aware of the additional cost of school trips and we want all our students to be able to access these opportunities. As this is a non-compulsory educational visit we are asking for a voluntary contribution. Unfortunately, if we do not receive enough voluntary contributions, we may need to cancel the trip. If you do have any issues or queries regarding payment, please contact myself or finance@shs.starmat.uk as appropriate.

Medication and Medical Conditions

If your child has taken any medication on the morning of the trip, **please fill in the form attached to this email** and send it to school with your child so that we have a record. If your child will need to take any medication on the day of the trip please make sure that it is **in its original packaging and placed in an envelope or sealed plastic bag with the name of your child on and details of when and how much needs to be taken**. Your child will need to hand the medication to me on the morning of the trip and this will be kept safe for them until they need to take it. **Please note that we will be unable to hand any spare medication back to students at the end of the trip**. Medication will need to be given directly to parents on collection or collected from the School's reception by a parent. Please also note that if your child has asthma they **MUST** have their inhaler/s on their person on the day of the trip otherwise they will be unable to go on the trip.

Educational Visits Policy and Insurance

This visit is organised under the school's Educational Visits Policy. To give consent for your child to take part in the visit please read the attached consent information and tick the consent box on parentpay when paying for the trip. You must **provide an emergency contact number and any medical conditions in the note box against the payment transaction line**. All students taking part in the activity will be covered by the RPA Personal Accident and Travel Insurance. If you wish to have details of this cover please contact reception.

Non-Compulsory Educational Visit Sanctions:

Finally, it needs to be reiterated that our visits and trips are very much linked to our rewards and sanctions policy. In line with the STAR MAT we endorse the principles for all young people to participate with supported accessibility through direct or realistic adaptation or modification and integration through participation with peers. If any student has an isolation at Tadcaster Grammar School, an Internal Exclusion or Suspension they will automatically not be able to

access this trip. I am sure you will appreciate good behaviour is extremely important when taking students out of school for health and safety reasons.

Limited Places: Although there are limited places available - 40, we will endeavour to accommodate all students who are wishing to go and who have paid their deposit by the "payment no later than date". If the activity is over subscribed, the policy for allocating places will be: random selection up to the number of places available in the presence of a governor. A reserve list will also be drawn.

A presentation for parents and students will be organised before the trip to give you more details. However, if you require more information please do not hesitate to contact me at hayley.kibble@shs.starmat.uk.

Yours sincerely

Mrs Hayley Kibble (Assistant Headteacher & Trip Leader)
