

SHERBURN HIGH SCHOOL

Criteria for Bursary Fund Payments

Students must achieve 100% attendance/authorised absence for registration, lessons, individual study periods and personal development, to qualify for each payment from the Bursary Fund. A minimum of 12 hours of guided learning are required each week which is equal to 2 AS, A2 or BTEC courses.

ABSENCES WILL BE CONSIDERED TO BE UNAUTHORISED UNLESS THERE IS AN EVIDENCED REASON. Telephone calls cannot be accepted as evidence as they cannot be produced for audit purposes. Official appointment cards, letters on headed notepaper or e-mails showing the address which they were sent from are all acceptable forms of evidence. Handwritten notes are not acceptable as they may have been written by anyone.

Bursary payments are intended to cover your costs incurred through your attendance in education, therefore, **if you are absent for a full calendar week for any reason, then no payment is payable for that week.** There are absolutely no circumstances under which payment can be made if a student does not attend school for a complete calendar week i.e. Monday to Friday. Other periods of absence are covered in the sheets marked "Acceptable and Unacceptable reasons for absence".

If the reason for absence is known in advance, then the student should notify the Post 16 Office. Any absence, which could not have been foreseen, should be notified on the day in question. Only in extreme circumstances can a late notification be considered.

Regular Payments

Regular payments are based on a combination of attendance, effort and behaviour. Attendance is 100% attendance or authorised absence as described above. Effort and behaviour are assessed by teaching staff and are based on what is acceptable to each member of staff. Staff will record any instances of unacceptable behaviour or non-completion of work to accepted deadlines. A decision will be made as to whether the next payment is withheld.

ATTENDANCE CRITERIA – ACCEPTABLE REASONS FOR ABSENCE

The following are examples of reasons for absence, which would usually be considered to be acceptable: - In all cases they should be notified in advance and written evidence to confirm the reason for the absence needs to be provided for audit purposes.
