Useful Contact Information

The easiest way to contact the school is via email or telephone. If your query is general, you will need to get in touch with the school office. If your query is relating to lessons, you should get in touch with your child's subject teacher. If it is an emotional/social issue to do with your child, you should speak to your child's form tutor (for basic issues) or your child's Year Leader (for more serious issues).

You are welcome to request a meeting with any member of staff, but we please ask that you either ring or email first to arrange an appointment.
