Lunchtime and School Dinners

We use ParentPay, a cashless system, for students to purchase their school dinners. Our Year 7 students will also have their own area at lunchtime.

Curriculum

At Sherburn, we pride ourselves on having a broad curriculum which gives students a well rounded understanding and skill set in a variety of disciplines.

In a two week timetable, Year 7 will have:

- 8 hours of English and Maths
- 6 hours of Science
- 4 hours of Geography, History, French, PE and Design Technology
- 2 hours for Music, Drama, ICT and RE
- RSHE is delivered through Period One.

Homework

Homework is an essential part of learning and helps to consolidate skills learned in lessons as well as promoting independent study. We are committed to providing students with regular homework that is interesting, creative and relevant. Homework may take a variety of forms including completion of work begun in class, research, revision, generating new ideas, reading or practising a new skill.

Students will be set regular homework from all subject areas. To help manage their homework, Year 7 students are issued with a Homework Timetable.

Teachers will display homework on “Google Classroom.” This online platform keeps you informed of the learning which has been set and any deadlines. Students also need to record their homework in their student planner so they can plan and organise their time effectively.

Updated information about homework will be under the curriculum heading on the school’s website.
