Uniform Guidance

These are examples of acceptable uniform shoes, trousers and skirts.

School Uniform

Outdoor clothing: During periods of inclement weather we encourage students to wear suitable outdoor coats to make sure that they are warm and dry. Outdoor items such as coats, hats and scarves can be worn to and from the school, however, these should be removed before entering the buildings.

Hooded tops: These are not allowed on the school site (aside from the Year 11 hoody for students meeting the set criteria).

Jewellery: Single ear studs worn in each lobe are permitted, however these should be removed for PE lessons. No other piercings are allowed and no other jewellery should be worn. This is for safety reasons.

Make-up: No excessive make-up should be worn. Any student found to be wearing excessive make-up (including nail varnish) will be required to remove it.

Hair colouring: The colouring of parts of the hair so that they are a complete contrast to the other colour is not allowed, e.g. blonde hair with red streaks. Hair colour which is not considered to be natural, or an extreme colour, e.g. reds, blues and purples, is not allowed.

Hairstyles: In addition, lines or patterns cut into a hairstyle, e.g. V cuts are not acceptable (hair should be longer than Grade 1). Students with long hair must ensure that this does not cover their face or provide a health and safety risk. They will be required to tie it back where necessary. Bandana style headbands and excessive hair accessories are not to be worn. Plain hair clips or bands are acceptable.

Please be aware: Breaches in our uniform policy are dealt with in line with our Back to Basics sanction system which is in students' planners. **Students wearing the incorrect uniform will be expected to wear loan uniform for that day and to acquire the correct uniform for the following day. Failure to do so, or refusal to borrow loan uniform will result in sanctions.**

PE Uniform

The School PE kit aims to be practical and smart, balancing the demands of physical exercise with personal comfort and confidence for the students.

PE uniform requirements fall under the oversight of the PE Department and are subject to their assessment of the sports being participated in and the conditions prevalent at the time of year.

There is a new PE uniform for Year 7 starting September 2022 (optional for Years 8-11) available from [APC clothing](#).

Round neck sports top - compulsory - Black with red detailing branded round neck sports top. Available via APC clothing.

1/4 zip top - optional - Black with red detailing branded 1/4 zip top. No other 1/4 zip tops will be permitted in PE. Available via APC clothing.

Plain black shorts or leggings - compulsory - no cycling shorts permitted

Plain black tracksuit bottoms - optional - Tracksuit bottoms are optional in cold weather and when on outdoor activities. They must be plain black sports tracksuit bottoms and not leisure/ lounge jogging style bottoms. Tracksuit bottoms should not be worn when on indoor activities.

PE Uniform

Trainers - compulsory - Trainers must be suitable for physical activity. Sports style trainer with appropriate grip and support.

Football boots - compulsory - Football boots must be worn on our 3G pitch. Boots must be plastic or rubber studs. **No metal studs or astro turf trainers are allowed on our style of artificial surface.**

White short socks - compulsory - indoor activity or when not on rugby, football or hockey.

Plain black football socks - compulsory - when on rugby, football or hockey.

Shin pads - compulsory - when on football or hockey.

Towel - optional

Expectations of the PE Department

If hair is long it should be tied back for practical lessons.

All students are **required** to bring the correct kit to their PE lesson even if they have a note to be excused. This will allow excused students to assist in the lesson with tasks such as coaching, officiating, setting up of equipment and assisting the teacher with tasks such as measuring and timing.

If a student **refuses** to borrow kit, **even with a note** they will be sanctioned via the school behaviour policy.

Buying Uniform

To make life easier (and cheaper), most of our school uniform can be purchased from clothing shops. For example, black leather shoes, black trousers, white button shirts etc. However, the school blazer needs to be ordered from Better & Bright, Classroom Clothing, APC Clothing or Signature Retail. The only pieces which need to be ordered from school are:

- House tie
- Reversible rugby shirt (Years 8-11 only)
- Sports socks
- Summer uniform

Equipment for School

Starting the day with the correct equipment is fundamental to a successful day. Students will need the following equipment:

- Two blue or black pens
- A red pen
- A yellow highlighter
- A glue stick
- A pencil
- An eraser
- A ruler
- A black or blue whiteboard pen
- A small packet of colouring pencils

Most of these items can be purchased directly from our school library.

Students will also need a Casio fx-85GT X Calculator (available from school via Parentpay).

Please ensure that students' school bags are large enough to carry their equipment and exercise books (which are predominately A4 in size). Most students find a rucksack easier to use and more comfortable as it helps support good posture.

Mobile Phones

The school strongly advises that mobile phones should not be brought into school at all. Students have no legitimate need to use a mobile phone in the school day. Please familiarise yourself with our Mobile Phone Policy on the [policy page of our website](#) which clearly outlines the school's expectations and sanctions if the policy is breached.

The purpose of this policy is to prevent the unacceptable use of mobile phones, camera phones, MP3 players and Apple watches (or equivalent) impacting negatively on learning and from preventing staff from concentrating on students' learning experiences.
